

**ALEATICA RILEVA BREBEMI**

■ Aleatica acquisirà da Intesa Sanpaolo tutte le partecipazioni in **Brebemi** e nella controllante Autostrade Lombarde. Aleatica, interamente controllata da Ifm Global Infrastructure Fund, gestisce 1.350 chilometri di strade in Australia, Nord America, Sud America ed Europa.

The thumbnail shows a newspaper page with a headline: "Intesa con Ubi farà il pieno di utili". Below the headline is a large table with multiple columns and rows of data, likely financial or market-related. The table has several columns with headers, but the text is too small to read. There are also some smaller text blocks and possibly charts or graphics, but they are not clearly visible.
